

119.01 PURPOSE.

The purpose of this chapter is to prescribe licensing requirements for sexually oriented businesses to protect the public health, safety, and welfare and to prevent criminal activity and the spread of sexually-transmitted diseases. This chapter is intended to supercede the provisions of M.S. ' 617.242, as it may be amended from time to time, and render M.S. ' 617.242 inapplicable as authorized by the statute.
