

50.08 SANITATION SERVICE: CITY OPTIONS.

The City Council may provide for sanitation collection services within the city by use of city employees and vehicles, or it may grant licenses under the terms and conditions of ' 50.13, or it may contract with one or more contractors for the provision of these services under the terms and conditions negotiated with the contractors, except that the provisions for insurance under ' 50.13(E) shall always apply. Where the city provides for collection by use of city employees and city vehicles, the city shall establish a price structure consistent with ' 50.13(I) except as provided by M.S. ' 115A.9301 Subd. 3 as it may be amended from time to time.
