

Section 945 - Telephone, Hoax Calls and Bomb Threats

Section 945:00. Unlawful Use of Telephone. It shall be unlawful for any person to use a telephone located within the corporate limits of this municipality to make, or cause to be made, a telephone call to any other person within or without the municipality with intent as a hoax to threaten to bomb, or threaten that a bomb or other explosive devices have been placed in any building or in any location other than a building.

Section 945:05. Hoax or Bomb Threat. It shall be unlawful for any person to make or cause to be made a telephone call with intent as a hoax to threaten to bomb, or threaten that a bomb or other explosive devices have been placed in any building in the municipality or in any location in the municipality other than a building.

Section 945:10. Permit Use of Telephone. It shall be unlawful for any person knowingly to permit any telephone under his control to be used for any unlawful purpose described in Section 945:00 of this code.

Section 945:15. Permit Use of Telephone. It shall be unlawful for any person knowingly to permit any telephone under his control to be used for any unlawful purpose described in Section 945:05 of this code.
