PROJECT ACTIVITIES

Generation X will be working on sanitary sewer and services on Auburn Avenue over the next week. Then they will begin work on storm sewer at the bottom of Auburn Avenue.

MAILBOXES

As requested by the Post Office, mailboxes in the construction area have been relocated for postal carrier access. The relocation area is at the top of Zenith Street (see map below). As work progresses to the South and East, more mailboxes will be moved to this location. During the project, you can have your mail held at the Post Office for individual pick-up. If you would like to make this change, please contact the Lanesboro Post Office at 507-467-2250.

CONTACTS

Informational newsletters, such as this one, will be mailed to you periodically throughout the project. A project website has also been set up and can be accessed here: www.bolton-menk.com, click on "Project Websites" under "Client Center", then on "City of Lanesboro 2017 Street & Utility Improvement Project." You can sign up for e-mail updates on the website as well.

If you have questions about the project, please feel free to contact the Construction Representative, Drew Weber at 507-469-0306, or at drewwe@bolton-menk.com.
