**A. Public Works - Street, 2021 Ford F-350:** Mayor Resseman reviewed the consideration from the April 14th meeting to purchase a 2021 F-350, as well as the possibility of which truck to trade in. The idea is to create the most versatile fleet for the City. The boards discussed the budget, replacement schedules, mileage on existing vehicles, and maintenance on existing vehicles. The goal moving forward is to work as a team, and therefore the fleet vehicles may be used as needed between departments, however the 2016 F350 would primarily be used for the Park.

Member Darling of the Park Board motioned to trade in the 2018 F150. Member Gehrig of the Park Board seconded the motion. Vote was done by roll call with all in favor. Motion carried. Mayor Resseman motioned to approve the recommendation of the Park Board to keep the 2016 F350 and trade in the 2018 Silverado 1500. Member Bakke seconded the motion. It was noted that the plow for the Silverado 1500 would be traded in with the truck. Vote was done by roll-call with all in favor. Motion carried.

**Adjourn:** Member Albrecht-Benson motioned to adjourn the special meeting at 4:40 p.m. Member Goetzke seconded the motion. Vote was done by roll-call with all in favor. Motion carried.
